The value of such inventory computed on weighted average basis is with respect to maintenance division of the Company. Further, based on data with respect to the pattern of usage of inventories available with the company, the management has developed various estimates to determine the net realizable value of these inventories. The revised weighted average prices, estimates and assumptions were developed in the current year and that similar relevant data is not available for making reliable estimates for the earlier years for comparison purposes. Independent Auditor's Report on Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Accel Frontline Limited

1. We have audited the consolidated financial results of Accel Frontline Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), for the year ended 31 March 2018, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These consolidated financial results are based on the consolidated financial statements for the year ended 31 March 2018 prepared in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 ('the Act') which are the responsibility of the Holding Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of the consolidated financial statements for the year ended 31 March 2018.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our qualified opinion.
3. As disclosed in Note 8 to the consolidated financial results, the Group has recognized goodwill of INR 414 lakhs relating to investment in the subsidiary company, Accel IT Resources Limited. The subsidiary company has incurred losses and its net worth as at 31 March 2018 is fully eroded. The management is of the view that no adjustment is required to the carrying value of goodwill recognized as above based on revised business plans and other detailed reasons mentioned in aforesaid note. However, in the absence of binding arrangements and other sufficient appropriate supporting audit evidence in respect of the business projections prepared by the management, we are unable to comment on the carrying value of such goodwill as at 31 March 2018, and the impact of any adjustment that may be required to such carrying value on the accompanying consolidated financial results.

These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, in so far as it relates to the aforesaid subsidiaries, are based solely on the reports of such other auditors.

Independent Auditor's Report on Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Accel Frontline Limited

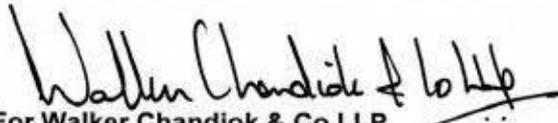

1. We have audited the standalone financial results of Accel Frontline Limited ('the Company') for the year ended 31 March 2018, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 4 to the standalone financial results regarding the figures for the quarter ended 31 March 2018 as reported in these standalone financial results, which are the balancing figures between audited standalone figures in respect of the full financial year and the published standalone year to date figures up to the end of the third quarter of the financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit. These standalone financial results are based on the standalone financial statements for the year ended 31 March 2018 prepared in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 ('the Act') and published standalone year to date figures up to the end of the third quarter of the financial year prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, Interim Financial Reporting, specified under Section 133 of the Act, and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these standalone financial results based on our audit of the standalone financial statements for the year ended 31 March 2018 and our review of standalone financial results for the nine months' period ended 31 December 2017.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our qualified opinion.
3. As disclosed in Note 8 to the standalone financial statements, the Company has made investments in its subsidiary company, Accel IT Resources Limited, amounting to INR 790 lakhs and has given loans to such subsidiary company amounting to INR 622 lakhs, which are outstanding as at 31 March 2018. The subsidiary company has incurred losses and its net worth as at 31 March 2018 is fully eroded. The management has drawn up business plan for the subsidiary company and is of

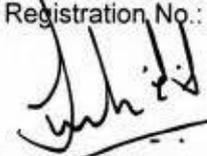

Walker Chandiook & Co LLP

the view that its investment and loans advanced to the subsidiary company will be recovered over the years. However, in the absence of binding arrangements and other sufficient appropriate supporting audit evidence in respect of the business projections prepared by the management, we are unable to comment on the carrying value of the aforementioned investments and financial assets – loans as at 31 March 2018, and the impact of any adjustment that may be required to such carrying values on the accompanying standalone financial statements.

4. In our opinion and to the best of our information and according to the explanations given to us, the standalone financial results:
 - (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016 in this regard except for the possible effects of the matter described in paragraph 3; and
 - (ii) give a true and fair view of the standalone net profit (including other comprehensive income) and other financial information in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act for the year ended 31 March 2018 except for the possible effects of the matter described in paragraph 3.
5. We draw attention to Note 7 to the standalone financial statements relating to the Company's inventory valuation as at 31 March 2018 and related disclosures. The Company, in the current year, has followed and complied with the requirements of Ind AS 2 – Inventories and has accounted for the impact relating to non-compliance with accounting policy in the earlier years. As a result of impracticability of determining the impact on the comparative financial information including the impact on beginning of such period, due to reasons disclosed in the aforesaid note, the change in valuation of Inventory has been made only prospectively as at 31 March 2018 in the accompanying standalone financial statements, in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors. Accordingly, to this extent, the current period figures and corresponding figures are not comparable. Our opinion is not modified in respect of this matter.
6. The Company had prepared separate standalone financial results for the year ended 31 March 2017, based on the standalone financial statements for the year ended 31 March 2017 prepared in accordance with Accounting Standards ('AS') prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and standalone financial results for the nine months period ended 31 December 2016 prepared in accordance with the recognition and measurement principles laid down in AS 25, Interim Financial Reporting, prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and SEBI Circular CIR/CFD/CMD/15/2015 dated 30 November 2015, and other accounting principles generally accepted in India, on which we issued auditor's report dated 26 May 2017.
