

PRIVATE CLOUD BUILT ON HYPER-CONVERGED INFRASTRUCTURE SOLUTION

About the Client and their Business Need

Our client is India's esteemed cloud & e-Governance enabler for the majority of the Central and State Government organizations. With the increased focus on e-Governance by the Government and approval of NEGP, demand for data centre services has increased manifold in terms of quality as well as quantity. They were in the process of provisioning cloud computing services from their mini data centers across the country to meet the growing demand for cloud services.
