

ADVANCED DIRECTORY SERVICES WITH IDENTITY MANAGEMENT

About the Client and their Business Need

Our client is an insurance and investment corporation owned by the Government of India. They were looking for an IT Infrastructure expert to implement a cost-effective end-to-end solution that enables them to gain centralized control and reduce administration overheads for over the 65,000 Linux and 35,000 windows endpoints. The organization outlined strategies to embrace smooth operations in a multi-platform environment.
